

# RLG Attends Bruce Power Spirit of Giving Event

NOVEMBER, 2009

In early November RLG Director Ken Fawcett, Vice President People, Development and Culture, Dino Finocchio and new hire Dragan Calusic attended the 4th annual Bruce Power Spirit of Giving Dinner in support of Easter Seal Kids where over \$125,000 was raised to support handicapped children. This is the fourth year that RLG has sponsored a table of 10 at the event. Also in the spirit of pure charity, Ken was successful in out-bidding all competitors to purchase a necklace made by 10-year-old Natalie McDonald from Hanover, Ontario for \$550.

Below: Director Ken Fawcett is pictured receiving his necklace from Natalie.
